MIL is a division of the Industrial Fabrics Association International (IFAI), is a trade association comprised of member companies representing the global specialty fabrics and advanced textiles marketplace. IFAI invests more than \$8 million each year to advance the fabrics industry and support member companies.

Industrial Fabrics
Association International
1801 County Road B W
Roseville, MN 55113 USA

The **Military Division (MIL)** provides its members networking opportunities, education, trade advocacy and specification information. It is engineered for those who do business with or in domestic or international military textiles markets, including government contractors. The Military Division provides a network to exchange information, solve common problems and develop mutually beneficial relationships.
